

SUMMARY

BDL & Associates is a Manufactures' Representative agency providing solutions for the Midwest Electrical Utilities industry through High Voltage Metering, Phasing Tools and Test Equipment, Jumpers & Grounds and Clothing. David Deinek, Owner with Barry Schmidt began BDL & Associates in 2009 as a Manufactures' Rep. Agency for the Electrical and Lighting Industry. David & Barry used their +20 years of diversified experience in Sales, Marketing and Construction to set BDL on a successful path.

BDL has continued to perform well and was 3rd in the nation for 2010 and Bierer's #1 Rep. Agency in 2011. We enjoy providing core product training, hands-on demonstrations and custom field application solutions for Large Utilities Cooperatives and Municipalities across Michigan, Ohio, Indiana and Iowa.
